## Spring SAT Prep Class

Four nights in four weeks at The PAL Community Center in Lincoln Park  
February 4, 11, 18, 25 (March 4 included as a backup snow day)

- Goal** Improve your scores on the SAT during an intensive four-night program leading up to the March 9 SAT. The course will be held in the meeting room above the snack stand at the PAL Center in Lincoln Park.
- Pedagogy** No one particularly enjoys taking standardized tests, but preparing for them should be productive and enjoyable. We use effective, creative strategies with small classes to help students generate confidence and test mastery. Our main emphasis is on results (increased scores), but we also have fun doing so.
- Times** Classes will meet for 2.5 hours each night from 6:00-8:30 P.M. Students will work on the language arts sections for six hours, and math for four hours.
- Cost** Cost is \$250 for the entire four-week program. Students who took a previous course pay \$150.
- Teachers** Courses are taught by John Chorazy and Deborah Thomas, experienced and certified teachers.
- Supplies** Students must bring their own pencils and focus. We provide the rest.
- Questions?** Consult [www.artfulscribe.org](http://www.artfulscribe.org), email [info@artfulscribe.org](mailto:info@artfulscribe.org) or call 973.986.4040
- Deadline** Class will be filled on a first come, first served basis, and capped at 20 students. We recommend sending in your registration as soon as possible as this course tends to be our most popular.
